## APPEAL FOR SUPPORT

The Faculty of Social Sciences was one of the five Faculties that started the Obafemi Awolowo University in 1962. The Faculty graduated its first set of students in July 1965. The Faculty of Social Sciences consists of Departments of Demography and Social Statistics, Economics, Geography, Political Science, Psychology, Sociology and Anthropology. All the six Departments, currently run programmes at undergraduate and postgraduate levels.

Increase in students enrolment, year in year out, has put a lot of pressure on the Faculty's existing facilities. The Faculty building, initially built to accommodate about five hundred, now caters for over five thousand students. The faculty has been overused and now needs a face lift. Due to inadequate funding, the faculty is therefore soliciting from all our alumni and well-wishers to help in the following identified projects

These projects are;

S/N	PROJECTS	ESTIMATED COST IN NAIRA
1	Renovation and Painting of the Faculty building	10 million
2	Provision of more toilet facilities for students	5 million
3	A 15-30-seat Coaster Bus for field trips	25 -50 million
4	A 500-Capacity E-Library	20 million

The Faculty is soliciting for support from our Alumni either individually or set to come to the aid of the faculty to achieve the listed projects. Donation will be accepted in cash or kind. Cheque can be written in the name of **Faculty of Social Sciences Donations**, while cash or electronic transfer can be paid directly into **1012941389, Zenith Bank Plc.**

For further enquiry, please contact the Dean or the Chairman Funds Raising Committee.

Thank you.

Yours Sincerely
